Name: _____

Use a blue pen and show what happens when a ray of blue light touches each object. Use a green pen and do the same for a ray of green light.

Name:	

Complete this letter. Circle the correct answers. You may have to circle more than one answer in each set. Fill in the blanks.

Dear Green,

I'm excited for your visit tomorrow. I like your idea about visiting the green backpack, the whiteboard and the blue chair but I think we have a problem.

I can visit the	blue chair green backpack	because it	absorbs reflects	(Name	e a color)	light.
	whiteboard					
	blue chair		absorbs	(Name a color		_ light. `)
You can visit the	green backpack	because it	reflects			
	whiteboard					
	blue chair		absorb(s)			
We can visit the	green backpack	because it/they	reflect(s)	(Name a color)		light.
	whiteboard					
	blue cha	ir			1 - 1	
I'm sorry I can't visit the	green back	pack with you	because it would		absorb	me.
	whiteboa	ırd		I	reflect	

I can't wait to check out the classroom with you tomorrow. See you soon!

Your friend, Blue
